

Do You Know The Correct Answers ???

Most people today think of the 24th of May as the weekend they put their garden in, or in the case of the younger generation, as the day they can let off fireworks. They forget that the 24th is really celebrated as Empire Day, or as it was originally called, Victoria Day, the birthday of that great Queen who came to be accepted as the north-west symbol of a great nation and an unparalleled Empire. The British Commonwealth of Nations as it is called today, and of which Canada is one of the earliest and greatest of its members, is united by a common allegiance to the British Crown.

The importance of the Commonwealth in the world today cannot be over estimated. From Great Britain, often called the "Mother Country" every nation in the Commonwealth has inherited the love of justice, freedom and equality, and all are striving to preserve peace and promote the happiness of mankind.

We are indeed fortunate to belong to such a family and the following quiz may perhaps refresh our memories about some of the other members:-

1. How many countries belong to the Commonwealth? Name them.
2. Which is the newest member?
3. Who is the head of the Commonwealth?
4. The Maoris are the original people of what country?
5. Who discovered Canada and what was the first British Colony?
6. What was Ghana's former name and why was it so called?
7. Of which country is Colombo the capital and what is the "Colombo Plan"?
8. Which country has sixty-six kinds of religion?
9. David Livingstone was the greatest explorer of what country? Name the famous waterfall he discovered there.
10. What country produces large quantities of tin and rubber?

Answers to the above questions appear in an inverted position below this article. Don't cheat, answer the questions and then check your score with the correct answers.

- Answers:
1. 46. The United Kingdom, Canada, Australia, New Zealand, India, Pakistan, Ceylon, Sri Lanka, Malaya, and the Federation of Malaya.
 2. The Federation of Malaya.
 3. Queen Elizabeth II.
 4. New Zealand.
 5. James Cook.
 6. Ghana. It was the Gold Coast. It was the British colony of the Gold Coast.
 7. Sri Lanka. It was the Ceylon.
 8. India.
 9. Victoria Falls.
 10. Malaya.

LOCAL PASTOR RECEIVES CALL

Pastor E. B. Fox of Redeemer Lutheran Church, Didsbury, announced to his congregation on Sunday, May 17, that he had received a call to St. Peter's Lutheran Church, Claresholm. The Claresholm parish has been served for the past six years by Pastor Lowell Guebert who has accepted a call to St. Paul's Lutheran Church, Saskatoon.

Pastor Fox had received the Saskatoon call last year. The Saskatoon congregation has been vacant for over a year.

According to the constitution of Redeemer, Didsbury, a voters' assembly will be held on Sunday, May 24th at 8 p.m. in the church basement to discuss and consider the call.

Pastor Fox has served the local congregation for over 12 years. He came to Didsbury in January of 1947 from Immanuel Lutheran Church, Calgary.

LOCAL COUPLE CELEBRATE 40th ANNIVERSARY

Friends and neighbors called at the home of Mr. and Mrs. Bob MacFarlane Monday evening to congratulate them on their 40th wedding anniversary. A table, centered with a wedding cake, decorated by Mrs. Ed Klimck, drew the attention of those present. Mr. Jack Robertson made a presentation to the honored couple.

South West Didsbury

(From Our Own Correspondent)

Mr. Ron Levagood of Concordia College, Edmonton, spent the long weekend at his home here.

Best wishes for a speedy recovery are extended to Linda Edwards, who had her tonsils removed recently.

Mr. Gerald Befus, Mr. D. Hinkle and Mr. Lynne Endel of Edmonton were weekend visitors at the Fred Befus.

The Ed Clayton's attended a family gathering at the home of Mrs. Clayton's sister, Mrs. T. B. Trick, of Carstairs.

Mr. and Mrs. John Edwards of Calgary were weekend visitors with Mr. and Mrs. Tom Edwards.

Mr. and Mrs. H. W. Folkmann had an exciting surprise on Tuesday when an airplane landed in their stubble field, close to the house. It turned out to be some friends "dropping in." Mr. Ottomaro Lange of Claresholm and Mr. McKee of Red Deer.

Mr. and Mrs. H. W. Folkmann attended the funeral of Mr. A. E. Lange at Claresholm on Saturday.

Mr. and Mrs. Dick Watson and sons of Calgary, Mrs. Meyer of Didsbury, Mrs. Hillebrecht and Charlene, of Calgary, were Monday visitors at the Meyer and Bartz homes.

Mrs. D. Taylor, Keith and Sherill spent the weekend at the Humphreys home and visited in Drumheller with them on Monday.

HOME AND SCHOOL TO INSTALL NEW OFFICERS

The Didsbury Home and School Association will hold its final meeting of the season on Monday evening, at 8 p.m. in the school auditorium. Mr. S. Hooper, superintendent of schools for the Olds division, will be guest speaker and will install the officers for the coming year.

Delegates who have just returned from the Edmonton convention, will make their reports.

Housing Project Suggested . . .

A very important meeting of the Didsbury and District Board of Trade has been called for Monday, May 25th at 9 p.m. in the Lions hall.

General business will be on the agenda as well as a discussion on house-building within the town. Two well-established firms are interested in a house-building enterprise and representatives will be on hand to answer any questions. Anyone interested in building a new home are invited to attend this meeting.

TODAY'S CHUCKLE . . .

Transport Minister George Hees inspects conditions on the Welland Canal at St. Catharines, Ont., with Thomas Ryan, superintending engineer. Mr. Hees said foreign vessels without proper gear for the canal would not be allowed to enter.

LOCAL RESIDENTS MOVING NORTH

Mr. Barney Elliott, former Imperial Oil agent here, and Mr. Harold Querin, son-in-law of Mr. and Mrs. Ben Kruger, have moved from the district. It was purely a social afternoon, with Mrs. Glen Evans as co-hostess. Next meeting will be at the home of Mrs. Arnold Hoer, with Mrs. C. Byrt as co-hostess. It is planned that two crib quilts will be finished for the Red Cross.

Mr. Elliott, formerly of Nanton, came to the Didsbury district in 1948 and has been associated with the oil business since his arrival here.

Mr. Querin, formerly of Lastowel, Ontario, came west in 1951 and was associated with the construction business until he took to farming a few years ago.

BIRTHS

AT THE DIDSBURY MUNICIPAL HOSPITAL

To Mr. and Mrs. George Pieper of Didsbury, on May 16th, a daughter.

To Mr. and Mrs. J. Cadran of Water Valley, on May 16th, a son.

To Mr. and Mrs. J. Gardner of Airdrie, on May 18th, a daughter.

To Mr. and Mrs. P. deLeeuw of Crossfield, on May 20th, a son.

SPRINGSIDE NOTES

(From Our Own Correspondent)

A regular meeting of the Ladies Group was held at the home of Mrs. E. Morton on Thursday, May 14. Nine dozen cookies were collected and delivered to the Senior Citizens' Home. Next meeting will be at Mrs. H. Peterson's on June 3rd.

Mr. and Mrs. B. Morton visited with Mr. and Mrs. J. Kosowan on Saturday evening.

Mr. and Mrs. B. Morton entertained at a midnight steak fry on Sunday evening. Those present included Mr. and Mrs. Murray Gale of Calgary, Mr. and Mrs. Arnold Koun of Hanna, Miss Rita Rodney, Mr. N. Neufeld and Mrs. M. Rodney.

Sunday morning breakfast guests with Mr. and Mrs. V. Wrigglesworth were Mr. and Mrs. J. Gillrie and Mr. and Mrs. Jack Gillrie and children.

Mr. and Mrs. W. J. Novak of Calgary were weekend guests of Mr. and Mrs. V. Wrigglesworth.

Monday night supper guests of Mr. and Mrs. V. Wrigglesworth were Mr. and Mrs. Tom Collinge of Calgary.

WEST NOTES

(From Our Own Correspondent)

The Elkonit Working Workers met at the home of Mrs. G. Befus for their May meeting. As Mrs. Befus will be lost to the group when she moves from the district, it was purely a social afternoon, with Mrs. Glen Evans as co-hostess. Next meeting will be at the home of Mrs. Arnold Hoer, with Mrs. C. Byrt as co-hostess. It is planned that two crib quilts will be finished for the Red Cross.

Mr. and Mrs. J. Bagshaw and Mr. and Mrs. R. Bagshaw were Calgary visitors last Friday.

Mrs. O. Krebs left Saturday for the far north country, Keg River, where she will be employed by Shannon Construction.

Mr. and Mrs. Crosier of Edmonton spent the long weekend with the latter's mother, Mrs. F. Byrt.

A miscellaneous shower was held in Rugby hall Saturday afternoon to honor Miss Doreen Ray, youngest daughter of Mr. and Mrs. Glen Ray, who will be married in Didsbury on Saturday. Miss Ray was assisted in opening her many gifts by her sister, Mrs. Jack Bellamy of Calgary.

Mr. and Mrs. Conway are expected to arrive Tuesday in Calgary from England to attend the wedding of their only child, Miss Maureen Conway, Reg. N., to Mr. Donald Blain. The wedding will take place on May 29th.

Mr. G. Befus was home from Carleton at the weekend. He and Mrs. Befus spent Sunday evening with Mr. and Mrs. Arnold Hoer.

Mountain View W.I. To View Cancer Film

Mr. View W.I. held their May 20th meeting at the home of the president, Mrs. Reg. Hamper. 12 members and four visitors answered the roll call with "your mother's maiden name and where she was born. This proved very interesting as they came from all parts of the world. Only two mothers were born in Didsbury.

Handicraft and home economic reports on the handicraft tea were given; the ladies were pleased with this years effort.

Mrs. C. O. Snyder gave as her handicraft topic the remarks made by the judges on all classes of handicraft.

The June 17th meeting has been changed to the home of Mrs. Art Gebbers, at which time cancer films for the ladies will be shown. Ladies in the district are very welcome.

Mrs. Ken Phillips and Mrs. Ed McNeil were admitted as new members.

DID YOU KNOW ???

The average size of a Canadian farm is 302.5 acres.

RANCHER APPOINTED TO CANADA COUNCIL

Mr. Frank Lynch-Staunton, a rancher in the Pincher Creek area, will replace Mr. Eric Harvie on the Canadian Council. He will serve a three-year term. The new member of the council is a cousin of Mayor H. Lynch-Staunton of Didsbury.

Two Wins For Local Baseball Club

Didsbury's entry in the Rosebud Baseball League, which takes in six teams, and reaches from Innisfail to Airdrie, has had its share of success so far in the new season. The club dropped its first game to Airdrie in an extra inning encounter and then came back to win the second game. The scores were 9-6 and 12-3.

Elsewhere in this issue you can peek at the schedule for the remainder of the season. Let's see you out there when they call "play ball" the next time around.

NEW MARKET FOR WESTERN OIL

A new market for Western Canadian crude oil was brought into being in Toronto Tuesday when the valve was turned to officially open the \$27 million Cities Service Trafalgar refinery.

As this happened Cities Service signaled the flow of Western crude to its Ontario and Quebec markets via the 1,000-odd retail outlets planned in its over-all \$40 million expansion program. The new refinery is the first built in Ontario in the past five years.

Capacity of the refinery is 20,000 barrels per day - all supplied from the 1,900-mile, 60-day-long route of the Inter-provincial Pipeline.

The new refinery, which spans a 400-acre site at Trafalgar, 30 miles west of Toronto, is primarily a crude oil producer, with furnace oil of ranking importance. Other products are bunker and diesel fuels with an eye to St. Lawrence.

District Couple Celebrate Anniversary

About 50 friends of Mr. and Mrs. Hugh Devolin met at the Coburn school on May 17th to pleasantly surprise them on their 25th Wedding Anniversary. The school was decorated with pink and white streamers and bolls. The couple was escorted to a lace covered table, flanked with white candles and silver holders; a decorated

Holiday Accident Injures 7 Persons

A two-car collision at the No. 2A highway approach to Didsbury sent seven persons to hospital early Sunday night. One car, with five passengers, was travelling east at the time, while the other, with two aboard, was heading north.

Those still in Didsbury hospital are Wayne McCaig, 17, of Three Hills, fractured pelvis; Trevis Priesen, 17, of Three Hills, fractured pelvis; John Davidson, 19, of Swallow, driver of the eastbound car, suffered severe scalp injuries; Dorothy Hall, 16, of Didsbury, is being treated for back injuries.

Thelma Eason, 18, of Didsbury was released from hospital after being treated for facial cuts and a broken toe. Ronald McKinnon, driver of the northbound car, and Adair Rasmussen, were released following a check-over. The former had face lacerations and the report on the latter was that he was just shaken up.

Both vehicles involved were extensively damaged.

McKinnon Mentioned For National Board

A leading authority on oil and gas, Mr. Ian McKinnon, has been mentioned as a likely candidate for the \$20,000-a-year job as chairman of the National Energy Board. Mr. McKinnon is a brother-in-law of Mr. and Mrs. A. J. Allen of Didsbury.

NEW THREAT ???

Premier E. C. Manning said Wednesday he sees one facet of the proposed National Energy Board as a "threat" to the further development of oil and gas in Alberta.

Announcement of the board was made in the House of Commons when Trade Minister Gordon Churchill asked Parliament's approval of a bill setting up the board.

Mr. Manning said in Edmonton Wednesday he is generally in favor of the board's establishment, but Mr. Churchill's speech indicated any export permits now awaiting approval by the board of transport commissioners will be delayed and dealt with by the new board.

Two major applications for export of natural gas from Alberta now are before the Board of Transport Commissioners. West coast Transcanada Company 900 billion cubic feet and Alberta Southern Gas Company Limited has applied to export some 2.3 trillion cubic feet of natural gas.

Premier Manning said the federal government's plan to hold the applications over for processing by the new board will mean a delay of "at least four or six months."

"The delay is costing the province thousands of dollars a day but there is an even greater cost in lost development."

He said there are "about 300 capped natural gas wells in Alberta" and that as long as companies weren't able to sell the gas they already had they wouldn't explore for more.

Seaway shipping needs, truck and railway fuels, aviation fuel including special blends for new commercial use, and the need for gas for industrial and farm requirements.

In all, the refinery has storage capacity for up to 53 million gallons of petroleum products. It was completed and "on stream" four months ahead of schedule, after 18 months of construction, by the 1,500 Canadian workers and 300 firms involved in the building program.

A few games of "charades" were played and community singing was led by Mary Benson and Helen White, with Edna Richards at the piano.

On behalf of those present, Harold Brinson, presented Mr. and Mrs. Devolin with a lovely blue glass mirror and a purse of money. Mr. Devolin, in a few well chosen words, thanked their friends for the lovely evening and the good wishes.

A delicious lunch was served by the ladies of the community club and with the singing of "For They Are Jolly Good Fellows" and "Happy Birthday" to Mrs. Devolin and Gerry Fulkerth, the evening came to a close.

Squirrel Cage . . .

FIRST THINGS FIRST . . .

Testifying in court, the plaintiff who was suing the railroad braced himself stiffly in the witness box as the defence counsel started cross-examination.

"You say you were hurt in the accident," the attorney asked.

"That's right," the witness said.

"Then, at the time of the accident, when you were asked if you were injured," pursued the attorney, "why did you say that you weren't?"

The witness shuffled his feet. "It's like this," he said. "Me and my horse and wagon, we didn't see no train comin' so we started across the tracks. Next thing you know there's this train and were knocked in the ditch. You never saw such a mess. I'm flat on my back with my feet up in the air, my horse is the same way, and the wagon is upside down."

Interrupted the lawyer: "But when the engineer asked you how you were, you said 'okay.'"

"First thing first," replied the witness. "The engineer comes over and sees the horse's leg is broken, so he goes and gets a gun and shoots the horse. And then he comes over to me and asks if I'm hurt. Sure, I told him I was okay."

RUGBY WOMEN'S GROUP DONATE TO CANCER SOCIETY

Rugby W.I. held its meeting on May 12 at the home of Mrs. Harvey Hosegood, when 11 members and three visitors were present. Thanks was tendered to the help given by the institutes at the handcraft tea on May 2nd.

The Rugby W.I. concert netted \$84.60 for the Cremona Home and School Association. Ten dollars was donated to the Cancer Society.

Mrs. Percy Hosegood was appointed delegate to the A.W.I. convention in Edmonton. Miss Kathleen Carney, home economist, will be guest speaker at the next meeting, Thursday, June 4th, at the home of Mrs. Roy McNaughton.

Mrs. A. G. Smith had the agricultural topic: "Thoughts About Spring" and "Sick Trees With Virus." The tea draw was won by Mrs. Smith.

STRICTLY FACTS . . .

Public opinion surveys show that a big percentage of Canadians believe labor unions are too prone to use the strike as a weapon.

Statistics show that the greatest use of personal savings by Canadians is for new housing.

LONE PINE INSTITUTE HOLDS MAY MEETING

Lone Pine W.I. held its May meeting at the home of Mrs. Bill Persinger, with 18 members and one visitor present. Roll call was answered by a gardening hint.

Mrs. Bruce Shelly was chosen as delegate to the W.I. conference to be held in Didsbury in June.

Paint and linoleum will be purchased to redecorate a kitchen for a family in the community.

Mrs. Owen Milne reported on handcraft from the handcraft tea and Mrs. Albert Milne on home economics. The bit of fun contest given by Mrs. Alan Hughes was won by Miss Merle Siebert.

The ten-cent draw netted \$190 and was won by Mrs. Jack Underhay.

MAKE YOUR COURTESY CODE OF THE ROAD

Stone quarry owner rates Chevrolet the toughest truck going

"Put a Chevy out there and it stays!"

At the Snyder Stone Quarry, you see Chevrolet trucks of all ages. "They get better and better every year," Mr. R. G. Snyder says. "My '59's keep going with no downtime at all for major service . . . moving more material at less cost per mile than any other make of truck I've had". The grades are steep from quarry to crushing mill, the loads are big and punishing. That's why Mr. Snyder specifies Chevrolet. "Put a Chevy out there and it stays," he says.

"You never do wear one out. You just get tired of looking at it and get a new one".

The truck you see up above is taking on a mountain of a payload — yet Mr. Snyder states, "It moves over the road like a light truck".

That kind of performance is a specialty of the house. Chevrolet turns out heavy-duty trucks that keep their poise no matter what you put in them. They're beating the big, oversized rigs at their own game, showing that precision-engineered chassis components and super-efficient V8 power make up for a locomotive-looking build any day of the week.

Today you sure can't assume that because a truck is trimmed and good looking it doesn't work every bit as hard as

those old-styled steam rollers. Put a Chevy or your run and see what a little pure efficiency can do. Your Chevrolet dealer will arrange the details

Cuts gas costs by 20% on multi-stop schedule!

This bakery firm is sold on Chevrolet's "easy driving and fuel economy". Their Chevies keep at it 10 hours a day, averaging 78 stops, covering about 8,500 miles a month!

No job's too tough for a Chevrolet truck!

Street Cleaning Problem ???

High winds, snow and rain have been very prevalent here during the past few weeks and most of our main avenues are in need of a clean-up job. Papers, garbage, and what-have-you are very much in evidence. Could it be that some of the business places, and even the elevator operators are not disposing of their refuse in the proper manner? Wonder if something could be done to correct the situation and make "our town" clean and green, as it should be!

Anyone For Tiddly Winks ???

That's the way the Olds Gazette headed off the run-down of votes in a three-point plebiscite in our northern suburb last week - the issue had to do with the building of a new arena. (The former arena was destroyed by fire a few months ago). The majority, of those who pay the shot were not in favor of the three-point plan or any part of it. We have no word at this time as to what facilities will be available for the hockey and skating fans in Olds come another season. Could be the Didsbury arena will be a very busy place - maybe some of the needed improvements should be made, but soon - 'twould help anyone who use the facilities of the memorial arena.

No Increase In Gas Rates!

According to reports we have received from the usual official sources, any rumor about a gas rate increase in this area at this time is strictly for the birds. The company in charge say that no increase in rates is proposed for the Airdrie-Red Deer franchise at this time.

Another Famous Quote . . .

"A mistake at least proves that somebody did stop talking long enough to do something."

NOT SOLVING HIS PROBLEM

The train was behind time and the conductor was in a surly mood. As he walked through one coach, a half dozen kids were running up and down the aisle yelling while their mother calmly read a magazine.

"Madam!" he said coldly, "why didn't you leave half your children at home?"

The women looked up at the conductor and said, "I did."

Guest Editorial

SO WE ARE GOING TO HAVE PROVINCIAL ELECTION

Premier E. C. Manning, heralded by several pre-broadcast announcements, finally set the wheels in motion last Saturday night. The Legislature has been dissolved by order of the Lieutenant Governor, the Hon. J. J. Bowlen, and now the date is set for voting on Thursday, June 18th. There is not too much enthusiasm over this election.

All political parties claim that they are prepared and the Premier's announcement was no surprise to them. The big question is: how will the Alberta voters react? Undoubtedly the Social Crediters are banking on their big five year plan to carry them through. The Liberals are happy over affairs at Ottawa and hope some of the Conservative gloom will rub off in Alberta.

The Conservatives hope that the Diefenbaker momentum will still have an influence in Alberta politics. The C.C.F. will try and hold its ground till a set of circumstances arises on which it can capitalize. But nobody knows what the individual voter will do when he goes into that voting booth to mark his ballot.

Provincial elections are fashionable these days. Manitoba held one this week and Ontario will vote in June. Manitoba had a minority Conservative government since the elections of a year ago. This majority has changed within the last few days. Before that the Liberals were in power for some 18 years, under Premier Campbell. Premier Frost of Ontario has controlled Ontario politics for years under the Conservative banner.

Midway News

(From Our Own Correspondent)

(Intended For Last Week)

The gent's curling club treated junior members to a trip to Calgary on May 8th. They had supper at the airport and took in the wrestling match. Rufus Scheelberg and Wilbur Reider supplied the transportation.

The Baneroff Girls' Club held its annual mother and daughter banquet at Midway on May 9th. Nineteen girls and their mothers, or adopted mothers, sat down at the heavily laden tables.

Miss Patricia Hoskins gave the toast to the Queen; Miss Sylvia Good, the toast to the mothers, replied to by Mrs. Wesley Stearns. The program was under the direction of Miss Faye Marsh.

The Baneroff United church held its Mother's Day service with the Sunday school taking charge. The choir rendered special music.

The Anglican Rogation service was held indoors, due to inclement weather. The Olds senior choir was present and added greatly to the enjoyment of the service.

We are sorry to hear Mrs. A. Good is a patient in the Didsbury hospital; her friends wish her a speedy recovery.

A THOUGHT FOR TODAY

Broad acres are a patent of nobility; and no man but feels more of a man in the world if he have a bit of ground that he can call his own. However, small it is on the surface, it is four thousand miles deep; and that is a very handsome property.

GOOD FARM PRACTICE NEEDS

2, 4-D — Dust or Spray for weed control.
N.C.P. — For control of seed borne diseases and wireworm control.

FERTILIZER — For higher yields, earlier maturity, healthier crops.

All three...all new... AND ONE JUST RIGHT FOR YOU!

CHRYSLER . . . Wonderful Windsor • Superb Saratoga • Exquisite New Yorker

Now, with the new medium-priced Windsor, there's a Chrysler model to suit almost every new-car buyer. And every Chrysler offers you the ultimate in its particular price class . . . The unrivalled driving ease of push-button automatic Torque-Flite transmission, push-button heating controls, swing-out swivel front seats, the superb roadability and comfort of the industry's most advanced suspension system. And on the Saratoga or New Yorker you may have new Auto-Pilot, for effortless mastery of that big V-8 power.

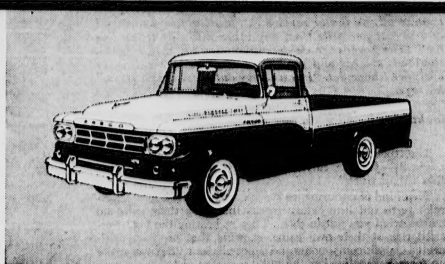

PLYMOUTH . . . lively, lovely, new all over!

Look inside, outside, wherever. Plymouth '59 is really new, really different! It brings you features other cars wish they had. New, trend-setting swivel front seats, for instance. Newly improved, smoother-than-ever Torsion-AIRE Ride. New advanced-design "313" V-8 or Econo-Jet 6 engine. New push-button heating-defrosting system. And the marvelous convenience of push-button automatic drive. In every way, if it's new Plymouth's got it!

FARGO TRUCKS . . . New Sweptline styling for 1959!

You'll haul more, and look better doing it, in a Fargo Sweptline pick-up for '59! You can choose from three wheel-bases, three body sizes, and each holds the most by volume, weight and load length of any pick-up in the industry. Fargo brings you more new features, too, new suspended brake and clutch pedals; new hydraulically actuated clutch; new bigger brakes, to mention just a few. Whatever your job requires, from 4,250 lbs. G.V.W. to 65,000 lbs. G.C.W., there's a Fargo truck to do it best!

TAKE YOUR PICK...TAKE A REVEALING DEMONSTRATION DRIVE TODAY!

THE Homemakers

By KATHLEEN CARNEY

Cost alone is not an indication of a good meal. Low-cost foods, chosen for nutritive value, will pay larger dividends in health than expensive foods, chosen at random. A successful menu depends not only on wise planning but on careful buying.

HOW MUCH TO SPEND

What can you afford to spend for food each week? An estimate for weekly food costs per person are: Low-cost budget — \$5.25 to \$6.50 per person per week; Moderate budget \$6.50 to \$8.00 per person per week. Decide on the amount you will require for your family per week. This is your first step in "wise planning."

WHAT TO BUY

The following percentages will give you a general idea of how much of your food money to spend for different food groups and products: 15 to 20%; Fruits and vegetables 20 to 25%; Meat, Fish, Poultry, Eggs 25 to 30%; Breads, Cereals 10 to 15%; Fats, Sweets 15 to 20%; Miscellaneous 3 to 5%.

Let your food budget and these percentages act as "guides" for wise planning and buying — not as figures to bog you down.

PLAN AHEAD

Before you go shopping you should have your weeks menu. By writing a weeks menu at a time you are better able to balance the family diets with nutritives. When you plan your menu ahead it is easier to make interesting casseroles rather than just having "leftovers". As you write up the menu for a week there is a challenge to obtain variety and interest in your meals, whereas, meals with little forethought tend to be repetitious. Your menu needs to be flexible to accommodate conditions that may arise in your home and should be planned to suit "seasonable buys". Go to a store with a definite market list rather than impulsive buying from displays.

MARKETING

Did you know you can learn many things about food in the grocery store?

1. Read the label — this can contain ideas on storage, number of servings and ways of preparing the food. Compare the various brands, for cost, amount and quality. The grade and quality must appear on the label. Select grades of products to suit the purpose. For example, why pay a premium price for "fancy quality" peaches when you only intend to bake them in a pie — instead use "standard quality".

2. Watch for new foods: usually introduced by special displays or introductory offers. There are many familiar foods now packaged in either the form of frozen, canned or dried. Have you actually done cost comparison to determine which is the most economical buy?

3. Select fresh fruits and vegetables carefully. All vegetables should be firm, bright and fresh looking, not wilted and shrivelled. Most fruits should be firm and full.

4. When buying beef — look for the ribbon-like brand indicating the grade of meat. (Red for Grade A or Choice, Blue for Grade B or Good). This marking is put on a side so that a least a section of the grade mark will appear on each individual cut. All inspected beef in Canada of A and B grade quality is branded.

The purple Canada Approved stamp should not be mistaken for a grade mark; this round stamp appears on all carcasses of meat which have been government inspected and it assures that the meat is wholesome and has been dressed under sanitary conditions.

5. If you have storage space at home, buy staple foods in quantity to save your food dollars. If you have a freezer, foods in season are good buys — to be frozen for further use.

There is a very good booklet on standard called "Don't Guess, Buy by Grade". This may be obtained free of charge upon request from my office.

THE DIDSBURY PIONEER

NOTES FROM

The District
Agriculturist
HOWARD FULCHER

There are nine 4H agricultural clubs in the area, five have beef projects, four have dairy projects. These clubs are made up of rural youth total membership being 126. The clubs are led by a local club leader with general supervision coming from the District Agriculturist's office.

Each member completes a project each year, those in the beef clubs secure a feeder calf in the fall, feeding, caring for and training it for an achievement day the following year. At this achievement day the members show their animals in competition with other 4H members and then sell their finished animals by auction. In the case of the dairy clubs the calves are secured by the members at a young age, bred, looked after, and trained for an achievement day the following year. Here again the members compete with other 4H members for show laurels, however they do not sell their calves but retain them to show again and ultimately build up a small herd. During the year members learn to conduct meetings, to judge and select animals, proper management, feeding procedure and cost of same as well as many other aspects concerned with their project work.

This year the beef clubs will hold their achievement day in Carstairs on June 10th, the dairy clubs will have their achievement day in Carstairs July 3rd, on both days the program commences at 10:00 a.m.

The clubs taking part in these days with club leaders, are as follows: Beef: Carstairs (H. Schelle), Cremona (V. Reid), East Didsbury (A. E. Brander), West Didsbury (G. Robertson), Olds (L. S. Fisher), Didsbury (A. Craig), Carstairs (W. C. Spicer), Olds (R. Armstrong), Spruce Coulee (C. Rosebrough).

MISSIONARY CONVENTION

PROVES SUCCESSFUL

The 13th annual convention of the Northwest Canada Branch of the Women's Society of World Service of the Evangelical Brethren services was held April 28 to 30, 1959 at Bethel Evangelical United Brethren Church, Hanna.

The purpose of this convention was to draw up a program which will be used in local church societies across Western Canada including the provinces of British Columbia, Alberta, Saskatchewan and Manitoba.

The new quadrennial theme is "Our Unity in Christ". The theme for the first year of this quadrennium is "Our Unity with Christ in Personal Living". The quadrennial theme hymn is "O Church of God United".

Guest speakers were, Miss Mary L. Warner, executive member from the headquarters of the Church at Dayton Ohio and Dr. Dr. Mrs. Charles Leader who served 34 years as missionaries in Africa. Dr. Leader, since home on furlough, received a cable gram from, "HER MAJESTY — THE QUEEN OF ENGLAND", making him an honorary member of the British Empire, for outstanding work done in educational and missionary emphasis in Sierra Leone, Africa.

A young national Milton E. S. Moni who was taught in our Sierra Leone school and is a member of our church was made Prime Minister by the "Queen" and Lady, which was knighted "Sir Milton" when he came to England recently. Others taught in this same school are holding important positions in the government of Sierra Leone.

CHRISTIAN SCIENCE

The spiritual identity or the man of God's creating will be brought out at Christian Science services Sunday in the Lesson-Sermon entitled "Soul and Body".

Initial selections to be read from the Bible include these verses from Psalms 90:1-2: "Lord, thou hast been our dwelling place in all generations. Before the mountains were brought forth, or ever thou hadst formed the earth and the world, even from everlasting, thou art God."

From "Science and Health with Key to the Scriptures" by Mary Baker Eddy the following will be read (280:25-30): "Rightly understood, instead of possessing a sentimental form, man has a sensateless body; and God, the Source of man and all existence, being perpetual in His own individuality, harmony, and immortality, imparts and perpetuates these qualities in man, through Mind, not matter."

ASSESSOR JOINS TAX COMPLAINERS

City assessor, John K. Wood of Lethbridge, said Tuesday that he will retire at the end of June and "do what any normal citizen does, and complain about the taxes. They're much too high."

Mr. Wood has been city assessor for 12 years.

Harmattan News

(From Our Own Correspondent)

St. George's W.A. met at the home of Mrs. Tom Bilton on Wednesday evening, May 13th, with most members in attendance. Donations were taken to assist with first aid supplies for Camp Kan-anakias Anglican summer camp. Presentation of a silver fork and spoon was made to the secretary, Mrs. Dave Morgan for her new son, Richard.

Mr. Wiper Sr., Mr. Alex Ross and Mr. Tony Spooner were all patients in the Olds hospital last week.

Miss Zelma Moore of Sundre has been visiting with Mr. and Mrs. Howard Moore.

The Harmattan Boys' ball club made a good showing in its first game in the Pony League when they defeated Olds at Harmattan Friday evening. Final score: 16-15. Monday evening the same team defeated Hainstock 16 to 6. The game was played on the winners' home diamond.

Mr. and Mrs. R. Bieber were visitors in Medicine Hat at the weekend.

Mr. and Mrs. John Morgan returned last Friday from Honolulu, where they have been holidaying for the past several months. While in Hawaii they celebrated their 50th wedding anniversary with daughter Clarice and friends.

Mr. and Mrs. Bill Johnson and Heather were visitors in the district during the weekend.

Guest Editorial

WHY SHOULD ALBERTA HAVE A SALES TAX?

The Edmonton Journal was drumming up the idea of a sales tax for Alberta in Tuesday night's editorial column, either that or introducing an anti-Social Credit argument into the current quickie election campaign.

There is no need for an extra sales tax in Alberta with the buoyant revenues the province now enjoys. The people in British Columbia and Saskatchewan hate the tax because it reflects upon the tourists attraction of these provinces.

The sales tax in both instances is directed to a specific public welfare and is thus tolerated. When there is the need, and only then, should any more direct taxation be considered in Alberta.

— Camrose Canadian

BEWARE OF TREATED SEED

It is the time of year when once more it is necessary to issue a reminder to farmers to take great care not to allow any treated grain to become mixed with grain they intend to deliver to a country elevator. Grain containing even a few treated kernels will be condemned as being unfit for human consumption.

Not only does this mean a heavy loss to the shipper, but the person who delivers the treated grain is subject to a heavy fine since the delivery of such grain is against the law.

Serious sources of contamination are grain loaders and truck boxes. Make sure these are absolutely free of treated seed before using them to handle commercial grain.

HERE'S AN UNUSUAL OFFER

Claire Burt, your Massey-Ferguson Farm Reporter, will pay you \$50 if you stop greasing your baler. Crazy? No, Claire wants you to buy a new Massey-Ferguson No. 3 Baler without a grease fitting on it. Every bearing is factory sealed and self-lubricated.

You can see this baler at Lorne Clayton's. Look it over for yourself. There isn't a grease fitting on it, and if you buy it, Claire Burt will send you a personally signed cheque. You do anything you want with the \$50. When was the last time you were paid for getting a new baler? Plus eliminating that messy grease job every time you use it.

This Massey-Ferguson No. 3 Baler will not only out-perform whatever you have got now, but the sealed-in bearings mean dirt can't get into these important working parts.

As soon as you buy this great new baler from Lorne Clayton, he will notify Claire Burt and your cheque will be in the mail. See the Massey-Ferguson No. 3 Baler

Why

be a washday weightlifter?

When there's so much
other work to be done
around the house . . .

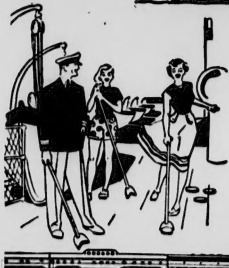

Ask yourself what's the most tiring part of washday. Chances are it's the "weight lifting" — lugging heavy baskets of wet clothes, stringing laundry on the line, then standing by for the rescue rush at the first sign of a storm. Luckily there's an easier way on washday! An automatic ELECTRIC DRYER lets you dry load after load and still feel fresh for other important homemaking duties. ELECTRIC drying is clean — fast — kind to clothes and economical. See the new dryers at your electric appliance dealer's showroom.

DISTRICT NEWS

BERGEN NOTES

(From Our Own Correspondent)

Mr. Martin Arneson, an old-timer of the Bergen district, was a recent hospital patient. In all of his 77 years this was the first time he had been a hospital patient and only the second time he has been sick enough to see a doctor. In the early days Mr. Arneson and his brothers thought nothing of walking from Bergen to Didsbury for a baseball game.

Mrs. Jean Mjølness entertained the Bergen Club on Wednesday last week. The older mothers of the district received bouquets of flowers for Mother's Day, made by the club members.

Mrs. C. Shafer was host to the Sewing Circle at her home on Thursday.

A number of ladies held a quilting bee at the home of Mrs. T. Haug on Friday.

LIGHT YOUR WAY...

... WITH BIBLE STUDY

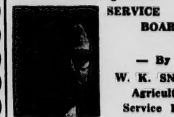

A weight is attached to a rope, not to break it, but to prove it. So pressure is applied to a boiler, not to burst it, but to certify its power of resistance. Temptations are intended to do more than to merely prove: they are meant to improve.

The word "temptation" has two meanings in Scripture. The first, it means to test the faith. "God did tempt Abraham." This means "God put his faith to trial." In James 1:2, we have a clear explanation of this: "My brethren, count it all joy when ye fall into diverse temptations, knowing this, that the trying of your faith worketh patience."

The other meaning of "temptation" is leading into sin. Such temptations come from the devil, the world and our own flesh. These temptations never come from God. James tells us: "Let no man say when he is tempted, I am tempted of God: for God cannot be tempted with evil, neither tempteth He any man: but every man is tempted when he is drawn away of his own lust, and enticed."

These facts we want to remember when we pray in the Lord's Prayer: "Lead us not into temptation." Therefore, when we pray these words, we are asking two things. First, Heavenly Father, do not let Satan tempt us to sin. If he does tempt us, give us power to resist. Second, Heavenly Father, give us strength to bear up under the trials of faith. Through trials may our faith grow stronger.

All this is summed up beautifully in the following words: "God indeed tempts no one; but we pray in this petition that God would guard and keep us, so that the devil, the world, and our flesh may not deceive us, nor seduce us into mischief, despair, and other great shame and vice; and though we be assailed by them, that still we may finally overcome, and obtain the victory."

Agricultural
Service Board

STARTING NEW LAWNS: Very frequently I am asked what grass to use and how to start new lawns. Actually this is not in my line to advise on this subject, so I will quote what Mr. P. D. McCall, supervisor of horticulture has to say on the subject.

There should be at least four inches of good top soil. Where more than one variety of grass is to be sown, make sure that the seed is well mixed, divided into two equal parts and broadcast from north to south and east to west across the seed bed. A light raking in one direction followed by rolling the seed bed lightly will encourage rapid and uniform germination.

A newly seeded lawn must be watered until moisture has penetrated to at least two inches, but be careful not to wash out the seed. For a sunny location where water is available three pounds of Creeping Red Fescue, with one pound Kentucky Blue, sown at four lbs. per 1000 square feet is a good mixture. If water is not available, five pounds of Crested Wheat grass with one pound Kentucky Blue, sown at six lbs. per 1000 square feet. In a shady place six lbs. of Creeping Red Fescue per 1000 square feet is recommended whether water is available or not.

In extremely hot weather burlap laid over the newly seeded lawn will help germination but it must be removed as the seedlings emerge and before they have grown through the burlap. Otherwise the new seedlings will be pulled out when the burlap is removed.

MOUNTAIN VIEW

(From Our Own Correspondent)

Mr. and Mrs. Ben Dickau of Millerville were guests of Mr. and Mrs. John Snyder last week. They were here to attend the funeral of their nephew, Mr. Harold Dickau.

A special 25th anniversary Sunday school service will be held at the Mountain View United Missionary Church on May 24th at 10:30 a.m. You are cordially invited to attend this service.

Mr. J. D. Thomas was a recent visitor in Saskatoon.

Mr. and Mrs. Mervin Hall and children were weekend visitors with Mr. J. D. Thomas and Ron.

Mrs. A. Hanson of Calgary is visiting her son-in-law and daughter, Mr. and Mrs. Arthur Gebbers, for a few days.

Mr. and Mrs. Ralph Chaytors of Calgary were supper guests of Mr. and Mrs. Arthur Gebbers Saturday.

Miss Marlene Miller of Calgary spent the weekend at the home of her parents, Mr. and Mrs. Emil Miller.

Mrs. Jack Freeman of Calgary visited Monday with Mr. and Mrs. Doug Gooding and family.

TURN THOSE UNPRODUCTIVE
FIELDS GREEN!

There is no better way to widen the spread between production costs and best prices than to make every acre carry more livestock — an easy job with a John Deere Grassland Drill.

With the Grassland Drill, you can bring new life to run-down pastures and grasslands, bring unproductive acres back to life without destroying established sod. You can reseed land considered too erodible for seedbed preparation, make idle acres productive, and pick up bigger beef profits at market time.

Let us show you how a John Deere Grassland Drill displaces fertilizer, plants grain at its proper depth, and band-seeds grasses and legumes without destroying established sod. See us on your next trip to town.

Little Items of Local Interest

Mrs. A. Easton and Mrs. C. Alden attended the Provincial Home and School Convention at Edmonton last Tuesday through Friday, as delegates of the local Home and School Association.

The Knox United Church campaign for good used clothing is still underway. If you have any clothing suitable for Korea, it will be gladly received at the manse or the church.

Mr. Ken Penner and Miss Barbara Jackson are practicing teaching in the district; the former in Olds and the latter in Carleton Place.

Mr. and Mrs. Jack Shannon had as their guests recently, the latter's sister, Mrs. O. W. Maries and Mr. Maries of Calgary, who have just recently returned from Australia. While here Mrs. Maries showed interesting pictures of their trip to the elementary school.

Mrs. Eva Blain attended the funeral Saturday, of her niece, Miss Nadine Denny of Calgary, who was instantly killed in a car accident on Thursday of last week.

Mr. Cameron Wordie, of Edmonton visited his parents, Mr. and Mrs. J. Wordie, at the weekend.

Dr. and Mrs. Mel Taskey and son were visitors in Didsbury last week enroute to holiday in the mountains.

Mr. and Mrs. Ian McKinnon of Calgary and Miss Judy Allen of Edmonton were weekend visitors with Mr. and Mrs. Alf Allen.

Mr. and Mrs. Ray Campbell and Mr. and Mrs. Wendell Goehoe were camping in the Rocky Mt. House area over the holiday weekend.

Mr. and Mrs. John Kcaosvan travelled to Edmonton for the holiday to visit their daughters.

Mr. Jack Clayton has finished his first year of an electronics at the Tech. school in Calgary and will spend two weeks at his home here before leaving for Quebec, where he will work with the Canadian Defence Research Council.

A family reunion was held at the home of Mr. and Mrs. Ken Nelson in Calgary on May 10th to celebrate the 25th anniversary of the latter's parents, Mr. and Mrs. Hugh Devolin of Didsbury.

Mr. Henry Erb received word last week that his son, Harold, a student at the University of Alberta, had been awarded his Bachelor of Education degree in Industrial Arts. Formal presentation took place in the Jubilee Auditorium on Wednesday of this week.

FARM ACCIDENTS

AT LAST A PREVENTION PROGRAM

Do you know that farming is the third most dangerous occupation? Only mining and construction are more hazardous. The story of farm accidents makes grim reading. Let's look at a few figures. There were 2724 hospitalized farm accidents in Saskatchewan in 1957. No less than 506 of them were caused by farm machinery, moreover, 778 of them involved children under 15 years of age. Tractor accidents alone caused 17 fatal accidents in the same year, and fires in farm homes 22 fatalities. Add to these grim statistics, the broken homes, suffering, and the anguish caused by accidents and you have a grim, sad story. And let it be clearly understood that Saskatchewan's record is no better, or worse than that of Manitoba or Alberta.

Industry has proved that an educational program can materially reduce the accident rate. Such programs cost money, time and effort, but the returns in man hours saved and the reduction in human misery far outweighs the investment.

Until recently, farm safety has been treated as an "orphan child" in Canada. The need for an active farm safety program was brought into focus, however, at the first annual meeting of the Western Farm Safety Council held in Edmonton, early in 1958. The second annual meeting of the Council, held in Valley Centre, Saskatchewan, in January, 1959, was attended by representatives of Federal and Provincial Governments, universities, industry, farm organizations, and many other agencies. At this important meeting, plans were laid for the development of a constructive farm safety program for Western Canada. Everyone realizes that time, money and energy will be required to carry out a sound, effective program on farm safety. You will have a chance to help. Be prepared to do your share to "back the attack on farm accidents."
